

### **Directions from Tohickon Campground to Palmyra Cove Nature Center.**

Make a left out of the campground onto Cafferty road, take Cafferty Rd down to River Rd. Next follow River Road South for about 35-40 minutes to I-95. Take I-95 South towards Philadelphia. While traveling South on I-95 use the exit for Cottman Avenue (it is about another 35-40 minutes travel time on I-95). At the end of the exit ramp turn left; follow the road, at the first traffic light left onto the fourth traffic light (Milnor Street), make a left and follow the road (keeping right) around and under the Bridge, follow the sign to New Jersey. Once over the bridge (Route 73 South) get into the extreme left lane just past the Toll Building for Souder Street/Market Street exit. Turn left, go two blocks to Temple Boulevard; turn left make a right to the Toll Building parking lot, just before the toll plaza. (Note: Do Not Block Driveway sign). Travel through the parking lot behind the Toll Building on the left, continue on the narrow local access road and go under the bridge. The new Educational Discovery Center will be in front of you to the right. The parking area is to the left of the building.
